Short Program from 10:30 - 11 am

Come hear about what we do for others in our many outreach programs and community support efforts, and what we do with each other for fun.

Sections include Literature, Music, Tutoring, Art & Heritage Preservation. Members enjoy monthly luncheons with interesting speakers, present a stage play, host an Art Show, and sponsor a Community Yard Sale. We also have music recitals, the international affairs luncheon, art lessons and various bridge groups.

We are a friendly, collegial, and dedicated service organization, soon to celebrate our 100th anniversary
